

Corrigan Corporation of America warrants each system, manufactured, and sold by them to be free from defects in material and workmanship for a period of two years from the time of shipment (first year covers part and labor, second year covers parts only). Produce misting solenoids are warranted for three years. Produce misting timers are warranted for ten years. UltraMist™ mist bar and nozzle shut off are covered for case life, not to break, crack or leak at connectors. Reverse osmosis membranes are warranted for one year provided proper filter and preventative maintenance service has been executed and proper feed-water pretreatment has been in place from time of installation. Nebulizing nozzles have a warranty of one year.

Coverage is limited to properly installed and maintained equipment. In addition, these guarantees are dependent upon installation of appropriate Corrigan pre-filtration and factory authorized replacement filter cartridges. Warranty does not cover service items such as filters and damage due to misuse. This warranty does not obligate Corrigan Corporation of America to bear the cost of labor after initial twelve-month period or freight charges in connection with the replacement of defective parts, nor shall it apply to any product upon which repairs or alterations have been made, unless authorized by the manufacturer or his authorized agent. Corrigan Corporation shall in no event be liable for consequential damages or contingent liabilities arising out of the failure of any product, its power unit or their accessories to operate properly. No express, implied or statutory warranty other than the herein set forth is made or authorized to be made by the manufacturer. Failure to notify manufacturer prior to any repair work performed within the warranty period may void warranty.

For higher technology humidification and misting systems (VaporDry, VaporDryHP, HydraFogDRH and Préserve) installation and start-up by Corrigan or a Corrigan certified installer is strongly recommended. If installation or start-up of these systems is performed by anyone else, the warranty period on the system is reduced to 12 months.

All warranty inquiries should be directed to the manufacturer at:

Corrigan Corporation of America, 104 Ambrogio Drive, Gurnee, IL 60031, 800-462-6478
